

IN THE CLAIMS

Please cancel claim 11, amend claims 7 and 15.

1-6 (Canceled)

7. (Currently amended) A protector pad for use with a piece of
5 furniture with legs, said pad comprising a generally flat body with two
opposite pad faces:

- a lower pad face (22) which is soft, destined to slide against delicate
surfaces without scratching them and,
- an upper pad face (26) destined to be fixed to the bottom of said leg
10 (28) of said piece of furniture, said flat body being constituted of two
pieces: a base (32) and a sole (34); said base comprising a fabric (38)
with a superior face forming said upper pad face and an inferior face (36)
comprising first means for assembly; said sole comprising a lower layer
(46) whose inferior face ~~forms~~ defines said lower pad face (22), a central
15 layer (48) comprising a reinforced material (48) and an upper layer (42)
with a superior face (43) comprising second means for assembly to
assemble said sole (34) to said base (32), wherein said first means for
assembly comprise a plurality of grabbing member hooks (36) each
member hook providing a shear resistance in all directions, said
20 reinforced material (48) in said central layer comprising a felt
impregnated by a hardened material coming from a group comprising an
injected latex.

8. (Original) The protector pad of claim 7 wherein said second means of
assembly (42) comprise fibers forming arches (44).

25 9. (Previously presented) The protector pad of claim 8 wherein the
material of said upper layer (42) of said sole (34) comprises a felt the
fibers thereof forming said arches.

10. **(Original)** The protector pad of claim 9 wherein said felt comprises materials from a group comprising polyester and natural fibers.

11. **(Canceled)**

12. **(Previously presented)** The protector pad of claim 7 wherein said
5 superior layer (42) and inferior (46) layers are made of felt material.

13. **(Original)** The protector pad of claim 12 wherein said felt material consists either of polyester or natural fibers.

14. **(Previously presented)** The protector pad of claim 7 wherein said reinforced material is hardened felt.

10 15. **(Currently amended)** The protector pad of claim 7 wherein said grabbing member hooks (36) providing a high shear resistance are of have a mushroom shape of a height shorter than a corresponding height of a J shape hook (58).
